

What is ABATE?

This is a question that many A.B.A.T.E. members, let alone the general public, find difficult to answer. The word A.B.A.T.E. is an acronym which stands for **A Brotherhood Aimed Toward Education**.

Nationwide, motorcyclists are under attack from state & federal government, insurance companies and a population with preconceived ideas about motorcyclists.

As an organization, we serve as a central source of information for Nevada's motorcyclists.

A.B.A.T.E. is a political, not-for-profit organization dedicated to freedom of the road for all motorcyclists from all walks of life. We are seeking to join together Nevada's motorcycling community in an effort to work towards realistic legislation to ensure safety and freedom of our public roads, providing motorcycle awareness and safety programs to motorcyclists and the general public, as well as promoting the enjoyment of motorcycling in general.

A.B.A.T.E. IS NOT

A.B.A.T.E. is not affiliated with any particular type of rider or motorcycle.

A.B.A.T.E. is not a CLUB.

A.B.A.T.E. is not a GANG.

A.B.A.T.E. is not a SECRET SOCIETY OR FRATERNAL GROUP.

What Do we Do?

We keep motorcyclists informed about pending legislation pertaining to motorcyclists' rights.

We keep motorcyclists informed about motorcycling in Nevada, the West and around the nation.

We promote motorcycling safety and education.

We encourage motorcyclists to register to vote and vote in all elections.

We promote and get involved in community service programs such as Adopt a Highway, toy runs, blood drives, and fund raising efforts for charities including A.B.A.T.E.'s "Christmas for Kids," a Nevada non-profit corporation.

We promote a better public awareness of motorcyclists.

MORE INFORMATION

Remember, A.B.A.T.E. of Northern Nevada is not a club. A.B.A.T.E. of Northern Nevada is an organization designed for all riders. You pay a yearly membership fee and get as much out of the organization as you put into it. There are no mandatory obligations involved with this organization. You do not have to "prospect" to become a member. A.B.A.T.E. of Northern Nevada provides the means for independent riders to come together for a common cause, to exchange ideas, and have fun with other area motorcyclists. Let's face it. The people who are making the laws affecting motorcycling, know little or nothing about motorcycles. By working together, we can prevent legislation which will adversely affect our chosen sport or mode of transportation. Through A.B.A.T.E. of Northern Nevada we can work to present a positive image of motorcycling, and encourage its continued growth.
